For dedicated support **to WithAarya's Social Media Drive**

WithAarya, is an organization aimed at helping, nurturing and empowering the underprivileged section of our society. Through its 'Don Ghaas' initiative, we aim to provide quality meals completely free to patients and relatives of patients who come to Mumbai from all over India for treatment of critical diseases, with many of them residing in the corridors of KEM, TATA and WADIA hospitals for months and even years.

Consequently, we are in regular need for flyers for our social media campaigns. We sincerely acknowledge the contribution of **Shubhan Anchan From Bombay Scottish School Mahim** who has put in a total of **10 hours of voluntary service** in August 2023.

This includes par excellence copywriting, conceptualization and creative writing for a flyer for **Vounteer Drive and Janmashtami**.

We look forward to a continued association with enthusiastic youngsters to take our mission forward.
